INTO THE ROOTS... THE SEQUEL BACK TO GRASS ROOTS AND NATURE!

Colin Ingrédients brings you its selection of clean, organic or French-origin raw materials and plant-based solutions. Everything you need to meet your customers' expectations with delicious and generous culinary solutions!

Colin Ingrédients's deep attachment to the land is reflected in its desire to offer ever more natural and local products by controlling their origins and source of supply.

Never again will "veggies" be equated with "boring", "austere" or "preachy". Try our gourmet culinary solutions. They are packed full of flavour!

ADVANTAGES:

- CLEARSOLUTIONS
- A WIDE VARIETY OF USES
- FORMULATED ACCORDING TO REGULATION (EU) 2018/848 FOR ORGANIC PRODUCTS

BLACK CARAWAY

WHOLE - FRENCH ORIGIN 

Ref. 8113901

Caraway has a unique flavour. It is fruity with a touch of aniseed; a delicate combination of fennel seeds and cumin. This makes it ideal for flavouring meats such as poultry and game, but also for spicing up salads, cheese, or soups.

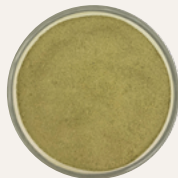

ORGANIC CEP MUSHROOMS

GROUND

Ref. 3610103

Perfect for adding a woody note, these 100% organic cep mushrooms will enhance all types of culinary creations such as sauces, stuffings, soups, quiche fillings or savoury tarts.

LOVAGE

GROUND - GERMAN ORIGIN 

Ref. 2585102

A condiment with the umami taste of slow-cooked food. A natural solution when seeking to add a gourmet flavour to soups, sauces, vegetable broths and cooked cereals.

BIOCOMPATIBLE NATURAL BLUEBERRY FLAVOURING

WATER-SOLUBLE PURPLE-COLOURED LIQUID

Ref. 259U2102

A natural and biocompatible liquid flavouring with a delicious blueberry taste, perfect for adding a unique touch to meat-based sauces, desserts, cheese, yoghurts, sweets or drinks.

WELL-BRED AND SPICY

GROUND SEASONING

Ref. ZRD097K22063

In the pure spirit of our "Into the Roots" products, "Well-bred and spicy" is a 100% plant-based creation made from horseradish grown here in Alsace, shallots, pepper, parsley, lovage and sunflower oil. It will give a delicious and slightly spicy flavour to cooked dishes, mixed cereals, risottos, sauces and marinades.
