

ORGANIC PREMIUM CULINARY BASES

NEW

Organic products are enjoying more success than ever before! To help food industries meet this growing demand, Colin Ingrédients has developed a range of organic **premium** culinary bases.

This versatile and extremely qualitative range can be used in all kinds of ready meals: based on meat, fish, or veggie ones.

Our raw materials expertise enables us to offer dehydrated mixes for juices, broths and stocks that are as clean as possible:

**WITHOUT FLAVOUR
ENHANCER**

NATURAL FLAVOURINGS

LOW SALT RATE
